**Living for Jesus, Loving one another,
Setting a table for the world.**

@ Trinity Youth for 2017-2018

Our youth work comes under three distinctive categories...

Community

We build communities of young people, who engage with positive activities.

We work with other agencies and the local community to provide a better life for all young people.

We encourage young people to take an active part in their local community.

Life

We live life alongside young people and support them in their journey of faith.

We share the good news of Jesus Christ and support young people as they learn what it means to be a Christian.

Church

We gather as a group of Christians of all ages.

We provide relevant teachings and specific youth focused groups

We encourage the young people to develop a heart that serves others.
