# Post-Wedding Refreshments

**Over the centuries thousands of couples have got married at Holy Trinity Meole Brace, and celebrated their 'big day' with us in here at the heart of Meole Brace.**

Many couples choose to have their whole wedding reception at the Trinity Centre, and we can offer everything you need including ideas for catering, fully licensed bar and live music permissions.

If you have chosen to have your main reception elsewhere, we can also offer you a bespoke package where we take care of your guests after the service, giving space and time for beautiful photographs, a glass of bubbly, and a chance for everyone to continue the celebrations all under one roof.

Hosted by our team of Welcome Assistants, our experienced staff will set up and clear up for you, and serve refreshments for your guests. You can provide your own drinks like juice, wine or prosecco for us to serve to your guests. Tea, coffee and water are included in the packages. We can also plate up and serve canapes or cake provided by you, and we are happy to work with Jenny's Catering or a caterer of your choosing. Rooms will be booked from the start of the service in church, for three hours. Additional hours may be booked where available, at additional cost.

## 2020 Prices for post-wedding refreshments:

The inclusive cost of this refreshments package is:

£105 for up to 40 people (assured)	£155 for up to 80 people
£235 for up to 120 people	£310 for over 120 people
