

Comfort
and Joy

Bringing comfort, joy and the hope of Jesus at Christmas

We would love to help you bring the love of Jesus to your friends, neighbours, classmates, work colleagues or anyone else this Christmas. You might want to bless a neighbour who is struggling with fuel or food poverty, buy meaningful gifts for neighbours or colleagues, give books that tell the Christmas story to children you know, buy a gift for friends at school that speaks of the hope of Jesus or buy a real Advent calendar for someone. The list is endless!

What do we need from you?

Name and congregation:

What is your idea for bringing comfort, joy and the hope of Jesus this Christmas?

How much will it cost? How much would you like us to contribute?

How can you easily feed back to us to let us know how it went? (A photo or a quick paragraph is great, and allows us to share what's happened with the church family)

We are envisaging that most projects will be under £100 but please do speak to us if you are dreaming big as we are committed to finding a few larger projects in which to invest, too.

Please return this form to Fi Iddon (fi.iddon@trinitychurches.org) by 13th November, to allow us to look at applications and get money to you in good time.
