The Story of Elijah

Elijah is a kind of Old Testament superhero, who spoke out and lived boldly before being transported to heaven without experiencing physical death. And yet we also see human frailty and brokenness. The New Testament writer, James, brings out this contrast. While upholding Elijah as an exemplary man of great faith and prayer, James points out that, nevertheless, "Elijah was a man just like us" (James 5:17) – or, as another translation puts it, he was "as human as we are." Although Elijah lived in a very different time and context to ours there are many lessons from his life for us today. He was born about 2,900 years ago in a place called Tishbe in Gilead – though by most historians to be modern-day Jordan. We see him get replenished and sustained by God, and in a period of national darkness and struggle we see the character of someone who chose to follow the living God. You'll find the whole story of Elijah from 1 Kings 17 to 2 Kings 2, in particular 1 Kings 17-19 where you get the most well known episodes of his life.

- ⇒ Please continue to wear a mask or face covering throughout the service.
