

## FOREST SCHOOL

FOREST SCHOOL is an inspirational process that offers ALL learners regular opportunities to achieve and develop confidence and self-esteem through hands on learning experiences in a local woodland or natural environment with trees. Forest School is a specialised approach that sits within and complements the wider context of outdoor and woodland learning.

At Holy Trinity Preschool we run weekly Forest School sessions in September and October, and we restart the sessions in the Spring. We have a combination of on-site and off-site Forest School sessions with specially trained staff to enhance children's learning.

There is a small fee for Forest School which will be added to invoices monthly. See 'Sessions and fees' document for up to date pricing.
