

Electoral Roll Report 2022.

As of May 2022, the Trinity Churches electoral roll stands at 385, that's 43 at CTK and 342 at HT.

There are six more people on the electoral roll at HT than when the roll was last revised in May 2021. The same number of people are on the roll at CTK.

18 people have recently joined the roll, and one person asked to be taken off because they have moved away. In addition, sadly a number of people are no longer on the roll because they are now deceased.
