

HOLY TRINITY PRESCHOOL Newsletter

News

This term is passing us by really fast! We are looking forward to meeting our parents for the parent appointments (see overleaf for your appointment date and time) and sharing how well all the children have settled well into the new school year.

Tip Run

We have a few items that need going to the tip. If you think you could help us, please speak to Shirley. Thank you!

Welcome

We want to welcome our work experience students from Shrewsbury College this term.

Hot Meals

Each week we offer children a 2-course home-cooked hot meal every Wednesday lunchtime. The meals are cooked on site in our Church kitchen and served in the Church hall. It costs £2.50 per week and this will be added to your monthly invoice. All the meals and puddings are vegetarian and gluten free to ensure all dietary requirements are catered for.

Packed Lunches

Thank you for sending healthy lunches for your children with limited sugar and fat. Have you thought about cold pizza or pasta for a change?

Important

If your child becomes unwell with any illness, including sickness or diarrhoea, please inform the office either by phone or email. **Please do not send in your child until 48hrs have passed since the last episode.**

Hazledine visit

The children visited Hazledine Court residents last Friday and took with them some flower arrangements. The children sang songs which the residents really enjoyed. Thank you to Hazledine Court for letting us visit and sing with the residents.

Forest School

Please remember to send your children in all-in-one suits and wellies as we go in all weathers. We have lots of spare suits if needed.
